UMB Healthcare Services

Manage your health benefits anytime, anywhere

Want a simple, easy way to check your healthcare account balances and submit receipts from anywhere?

Stay up to speed*

Designed so you can quickly find what you need most, the **UMB Benefit Spending Accounts mobile app** lets you securely access your health benefit accounts*:

- Enjoy real-time access

- Quickly **check available balances** and account details for medical and dependent care FSA, HRA, and transportation plans

- View charts summarizing account information

- View in-app messages and text alerts that provide instant notifications about your account(s)

- Link to an external web page to obtain helpful information such as a list of eligible expenses

- Retrieve a lost username or password

- Use your device of choice— including Apple® and Android™ smartphones

Get started in minutes.

Download the UMB Benefit Spending Accounts mobile app for your chosen device from the Apple App Store or Google Play. Create a unique username and password. This username and password is only connected to your UMB Benefit Spending Account Mobile App.

View balance information for all your account(s)

>>>
Use the "**I Want To**" section to quickly take any number of actions

+

Imagine what YOU could do with the UMB Benefit Spending Accounts mobile app

With the UMB Benefit Spending Accounts mobile app, you can get it done fast and enjoy the rest of your day*.

- **Submit claims** for medical and dependent care FSA, HRA, and transportation plans

- Use the **Eligible Expense Scanner** to scan a product bar code to determine if they're qualified medical expenses
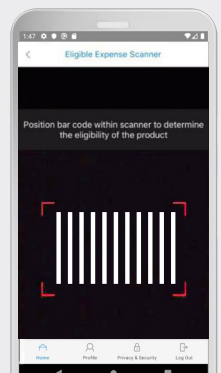

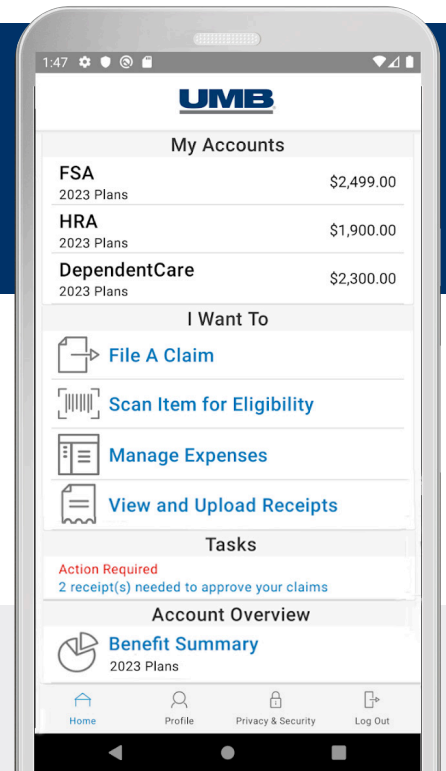

- Access your account funds to **make payments** to yourself or someone else such as doctor

- Enter and view **expense information and receipts from a consolidated dashboard**

- **Snap a photo of a receipt and submit** with a new or existing claim, or store in your camera roll for claim filing

- Add and store information on **new payees**

- Report a debit card as lost or stolen
